First Weeks
The first weeks have gone fairly smoothly considering the changes within the school this fall. Thanks to all of the families and students for your patience and understanding as we navigate this strange time together. Things are changing quite frequently and we will continue to do our best to keep you informed and base our decisions off of the most recent & relevant data.

Back to Full Attendance on October 26th
On October 1st the Plains School Board voted to continue with the current A/B school schedule through the week of October 22nd. The school will transition to a full 4 day attendance schedule beginning on the week of October 26th. Further information will be provided as we approach these dates.

What happens if there is a positive case in the school?
A confirmed positive case within the school (staff or student) will initiate a minimum 2 day school shutdown in the 7-12, and a 2 day multi-grade level (K-1, 3-4, 5-6) shutdown in the elementary for cleaning and collaboration with the county health department. These plans are subject to change as guidance from the local, state, and federal changes.

Extracurricular
This year’s football and volleyball teams have been competing well as they begin to enter the latter half of their seasons. The football team is currently 2-2 with a recent big win over Victor for Homecoming. Tucker Foster and Adelle Ercanbrack were crowned homecoming king & queen respectively. The volleyball team is currently gearing up for the second half of their conference season and is steadily improving each game. All of the home football and volleyball games are being broadcasted over the internet and can be found by going to the school website or by clicking here Horsemen & Trotter Broadcast.

College & Career
Mr. Allen recently held the annual Parent/Senior meeting where students/parents come together to gain all of the valuable information for college preparation and scholarship information. College preparation can be intimidating with all of the various options and opportunities. Mr. Allen can help with things like the FAFSA, scholarship information, and college applications. Don’t worry if you missed it, you can schedule an individual appointment with Mr. Allen anytime during the school day and he is happy to meet with parents and students. Seniors who signed up will take the ACT on October 6th at the school. The ACT is also being offered on October 24th at PHS.

Distance Learning Online Check In
Beginning on the week of October 5th, students who are participating in the homework delivery method will be required to check in to their classes online through the google classroom. This means that daily attendance will be taken based on the online daily check-in form that will be provided for each class. Students without internet access will not be required to complete the check-in form.

Important Announcements
Go to Plains School 2020-2021 Calendar for the school calendar.

Download the “Campus Portal” app for free to keep updated with your student’s grades & attendance.
